cre8[®]

Reliable Source is very excited to be launching a new brand cre8[®], offering the full tape palette for creative minds.

Choose from a wide selection of colours, in many different finishes including fluorescent, holographic, reflective, metalised and glow in the dark.

cre8[®] will be regularly releasing new playful products to constantly refuel your imagination.

Pro Gaff Matt Cloth tape is a strong durable matt cloth tape which features good weatherability with a write on backing which is widely used in theatre, film and TV productions. Pro Gaff adheres to any clean dry surface and removes residue free. Available in 5 fluorescent colours, 14 standard colours and various sizes.

ProTapes Coloured Paper Artist Tape has a re-positionable adhesive that allows the user to correctly position the tape whilst the peel clean adhesive leaves minimal to no residue when removed. It's tearable by hand, flexible, overwritable and comes in 11 fantastic colours including fluorescent.

Pro Tapes Pro 46 Coloured Creped Paper Tape's adhesion system is designed for excellent performance and adhesion to a variety of smooth substrates. Available in 12 colours and various sizes.

Marble masking is a unique marble effect masking tape available in 10 colours. Ideal for general masking, decorating and creating. Available in various widths and striking retail display boxes.

Pro-Sheen is a premium grade metalised polyester film in 7 vibrant colours. Uses include decoration and colour-coding.

Our holographic tape, with highly reflective prism pattern can be used to decorate, code and identify. Available in 7 colours and various widths. Also available in 5 colour retail stacks.
